Work experience

Jan 2025 - Present Delhi | Goa | Mumbai
 Senior Graphic Designer
Passcode Hospitality

As a Senior Graphic Designer at Passcode Hospitality, I led the creation of branding and marketing materials tailored to the hospitality sector, including menus, brochures, signage, and digital assets. I collaborated with cross-functional teams to develop cohesive brand identities, designed user-focused websites, and managed multiple projects while ensuring consistency and quality. Additionally, I mentored junior designers, stayed updated on industry trends, and presented creative concepts to align with business objectives.

Nov 2022 - Dec 2024 Gurugram
 UI & Graphic Designer
SingleInterface

Showcasing my creativity across multiple disciplines, I excel in UI design, graphic design, 2D motion graphics, corporate presentation design, brochure design & video editing. My diverse portfolio features intricate illustrations, engaging Lottie animations, user-friendly interfaces, and compelling social media campaigns, all crafted to captivate audiences & enhance user experiences.

Feb 2021 - Oct 2022 Jaipur | Goa
 Graphic & Brand Designer
XpertNet Technologies

With expertise as a Senior Graphic Designer & Front-End WordPress/Shopify Developer, I collaborated with clients to create custom illustrations, designs & implemented ad campaigns, and crafted engaging social media posts that resonate with their audience & elevate their brand presence.

Jun 2017 - Feb 2021 Jaipur
 Brand Designer & Manager
Herboage

Worked extensively as a Design Brand Manager & WordPress Dev, where I played a key role in creating cohesive brand identities and building a strong social media presence. My responsibilities included developing fully customised websites using WordPress CMS, as well as managing & optimising retail listings to boost online visibility and drive engagement.

Jun 2017 - Feb 2021 Jaipur | Gurugram
 Senior Process Associate
Genpact

This experience significantly improved my communication skills & provided me with a deeper understanding of leadership principles, hardware connectivity, and foundational ethics. It was an invaluable opportunity to grow both personally & professionally, equipping me with essential skills for future success.
